place at quarterback all during the game with Wesievan to-morrow

Carlisle, Pa., Nov. 16.—In the long signal drill which followed the lementary practice of the Carlisle football team to-day Coaches Warner and O'Brien placed a dummy eleven opposite the lineup of the gullars and illustrated the working out of the new plays most satisfactorily. Only Capt. Burd and Quarterback Gus Welch will be lacking from the aberigines' lineup sagainst Syracuse. Lieut. Tseibley, the army doctor in charge of the Indians physical condition, says that his men are in prime shape and should appear in the Syracuse stadium ready for anything that turns up. Thorpe has been kicking satisfactorily, and while the swelling in his ankie has not gone down entirely he feels much better. Carlisle's new right end. Yedernack, is a marvel. He is very light, but is one of the most astonishing tacklers ever developed here. He is of about Mount Pleasant's weight, and has all kinds of steam.

ITHACA, Nov. 16.—A rousing sendoff was accorded to the Cornell football sound.

ITHACA, Nov 16.—A rousing sendoff was accorded to the Cornell football squad which left Ithaca this evening for Chicago. A parade of 2,000 students formed on the campus and headed by Proctor Twesten and the cadet hand marched on down through State street, where a liberal supply of red fire lighted up the snake dance procession to the station. Twenty-four men were in the party, the coaches deciding to take along two men for each position. Jack Moakley said before the men got away that they were all in good shape, and Coach Reed expected them to play a stronger game than against Michigan, based on the important contests, such as Harvard-Dartmouth. Penn-Michigan, Cornell-Chicago, Amherst-Williams and Navy-Penn State. In Army-Navy circles the last named game will mean a good deal.

night. Butler's kicking leg, which failed him in the last game, is said to be good again. Capt, Munk, Champaigh and Undershill, the only three varsity men who had trouble in the last few weeks, are reported to be sound. No heavy work was attempted this afternoon, the men not even laving to report in togs. They had a short lecture and then were allowed to go to their rooms and pack. The plans are for the Ithacans to practise on Marshall Field to morrow afternoon for a short time.

for aside from the Princeton encounter the midshipmen have met no teams so near their own calibre, unless Western Reserve, which unexpectedly held the Navy to a tie, can be so classed. As the Navy-Penn State game comes only a week shead of the Army-Navy battle it ought to go a good way toward showing what the Navy is likely to produce in fundamental strength for the Army on the 25th. Penn State is a

The directore of the Nationa No Trouble Over Lebigh-Lafayette Seats

SOUTH BETHLEHEM, Pa., Nov. 16.—Reports emanating from Easton that Lafayette and Eastonians are being treated shabbily and Eastonians are being treated shabbily in the distribution of seats for the Lehigh-Lafayette game here on November 25 are denied. Instead of less than 500 seats being sent to Easton nearly 1,000 have been sent there. In addition to this the Lehigh authorities are raising the football grandstand so that 300 more seats can be built there in addition to the new set of bleachers that are being erected on the east end of the field. These improvements will increase the seating capacity of the field more than 1,000 and Easton will get as many of these acuts as it can furnish people to fill them.
